

Just a few things the SWCCD does...

- ◆ Implement Land and Resource Use Plan and Policy
- ◆ Utilization of Land and Resource Advisory Committees (LRAC)
- ◆ Continue Seedling Tree Program
- ◆ Participants of the Local Working Group in reviewing of irrigation projects.
- ◆ Participate in Federal Land Planning processes affecting Sweetwater County.
 - Kemmerer
 - Rawlins
 - Lander
 - Pinedale
 - Vernal, UT
- ◆ Monitoring Water quality.
- ◆ Provide Natural Resources Education and opportunities.

SWCCD is led by a locally elected board of five District Supervisors. The Supervisors are the only locally elected board specifically charged with the responsibility of representing the citizens of their district on natural resources issues. This Board of supervisors provide the leadership for all the projects that the SWCCD undertakes, which entail hundreds of volunteer hours. If you have any questions regarding a District Project you may visit these representatives.
