Landowners and  
Land Managers

## Greater Sage Grouse Workshop

Sponsored by Sweetwater County Conservation District

This workshop is designed to assist landowners and land managers to better understand the regulations and the choices available for Greater Sage Grouse management on your property. This workshop will aim to explain the differences and the benefits between the CCAA and the SGI programs. Going beyond the basics. Conservation Measures and Landowner Commitments.

- ◇ The **Greater Sage Grouse Umbrella CCAA** for Wyoming
- ◇ The Complementary **Public Land CCA**
- ◇ **The Sage Grouse Initiative or SGI**

- \* **Leanne Correll**, Wyoming Stock Growers Association
  - \* Guest Speaker, U.S. Fish and Wildlife Service
  - \* Guest Speaker, Natural Resource Conservation Service
