CONDITIONS OF SALE

- 1) Nursery stock is to be used for conservation purposes only.
- 2) Payment must accompany order; no trees will be reserved until payment has been received.
- 3) Trees are living organisms that require proper care; there can be no guarantee of survival.
- 4) All orders are final; No cancellations or refunds.
- 5) In the event that trees ordered are unavailable, a refund MAY be offered unless a substitute species can be arranged.

"I have read and understand the "Conditions of Sale as listed above"

Signature and Date _____

BR: Bare root – 25 plants / 10" tubes – 25 plants

Last Day to Order Trees is: April 15, 2024

The Sweetwater County Conservation Districts Tree Program enables farmers, ranchers and other landowners to obtain trees at nominal cost. The purpose of the program is to encourage landowners to plant effective wind barriers to protect buildings, cropland and feedlots and for erosion control, other conservation practices, reforestation, and other conservation plantings.

Payment—*Payment must be made when seedlings are ordered in order to reserve trees.*

Cash—Visit or mail to: 550 Uinta Dr. Ste E Green River, WY to drop off your payment to reserve your trees for the coming spring.

Check—Make checks payable to: SWCCD

Delivery Options

- Pick-up**—Seedlings can be picked up. The district will notify customers the exact date.
- UPS Delivery**— (if agency ships) UPS requires a physical address and will not ship to PO Boxes.

Plan Before You Plant

A planting plan should be prepared before trees are ordered or planted. The planting plan will show the proper location for the planting, the best species for your site, spacing between rows, spacing between trees in the row and the correct number of trees and shrubs needed. The plan will also point out requirements for proper planting to gain initial survival and how to keep trees in a vigorous growing condition. For planting plan assistance contact the Sweetwater County Conservation District.

Visit: <http://www.youtube.com/consewvwy> to view a video demonstration on how to plant a seedling tree.
